6. Problem encountered and resources required

- It was difficult to approach local people and spread awareness among them regarding various schemes and projects.
- Our team members faced difficulty to convince local persons to accept the present situation of our system and put efforts to resolve the issues.
- The quality of education was deteriorated.
- The skills shortage and poor infrastructure were major problems to achieved targets.
- Actual data was not identified due to lack of monitoring and resources.
- Regular monitoring was time consuming process and it becomes major drawback for project development and evaluation.

1. Title of the Practice- Gender Sensitization and Women Empowerment

2. Objectives of Gender Sensitization and Women Empowerment:

- To create an environment of gender justice where men and women study and work together with a sense of personal security and dignity.
- To make the girl student feel safe and sound in and around the college campus.
- To create social awareness about the problems of the women and regarding gender discrimination in particular.
- To develop and enhance the self-confidence and self-esteem of girl students, women faculty and staff in the college i.e., to develop multi-disciplinary approach for the overall personality development.

3. The Context

The women students, in the beginning were not enthusiastic to participate in the deliberations. As the gender sensitization programmes designed revealed several disparities and inequalities, that we might not have noticed earlier, people especially the other gender, argued discussing gender and gender roles would break up families and destroy society. Under these circumstances, the college has thought it appropriate to forge ahead with the objective implementations the objective for which an exclusive cell is created.

4. The Practice

Internal Complaint Cell (Women Cell) - Our institute has established internal complaint cell aiming to empower and sensitize the females about their social and intellectual upliftment by sensitizing them through lectures, seminars on gender sensitivity, health, hygiene and other welfare activities etc.

- Poster making competition on the theme “Be bold for Change”. Harmanjot Kaur got 1st position, Khushboo got 2nd position.
- One day Workshop on women health and wellness was organised.
- Hold Rally on National girl’s day dated 24th Jan., 2019.

Grievance Cell- The grievance redressal cell was actively working in the college since 2nd August, 2010. The main motive is to find solutions of problems encountered by students, staff and other secured bodies. Problems involves sexual harassment, regarding classroom teaching etc. that are conveyed by writing letter and drop it in the suggestion box.

Anti-ragging Cell- Our College has constituted anti ragging cell aiming to make our college ragging free and maintaining the well-being of the students. These aim is achieved by making students aware using banners, seminars, counselling etc.

Road Safety Awareness Programme – This program is organized to inculcate knowledge among students about the road safety, road signs & marking, driving attitude and gears used for the driving. Presentation followed by physical teaching of two wheelers driving is done among the female students and staff.

Mental Health Awareness & empowerment of women- Our institute has collaborated with IIT Ropar on a social initiative regarding mental health awareness and women empowerment. This is done by providing adequate remedial help to alleviate and empower them.

Road Safety Awareness Programme

Mental Health Awareness & empowerment of women

6. Problems Encountered and Resources Required

- The modest and diffident students were reluctant to cross their academic borders affecting the successful conduct of awareness programs.
- Ensuring the support and participation of women teachers in the programs is a tough task.
- Women students' impulsiveness in the matter of love in the adolescent age is a sensitive issue to be dealt with by women teachers.
- Organizing various programs during working hours, sometimes, has led to sacrificing the class work.
- Sometimes, the participants were put to disappointment as the resource persons did not turn up for the camp.
- Implementation of the annual plan and its monitoring has become a tough task in view of tight academic schedule in the systemic ambience.
