- 3. Prof. Jaspreet Singh Rai**
- 4. Asst. Prof. Gursharan Kaur**
- 5. Asst. Prof. Neetu Sharma**

Mission of committee

- To leave the earth cleaner than we found it.
- To inform and aware the society.
- To free the earth from all forms of unnecessary plastic.

Introduction

Nowadays plastic is being used by everyone. We can keep things safely in the plastic containers for a long time. It is a very convenient way we have adopted in our lives.

When we use something regularly only then we come to know the pros and cons of that particular article. With the use of the plastic in excess we have come to know the bad effects of it on human lives. That's why it is our responsibility to stop the excessive use of plastic.

Government of India has also taken many initiatives against the use of plastic. After getting influenced by the Govt. efforts, Amer Shaheed Baba Ajit Singh Jujhar Singh Memorial collage has decided to form a committee, "Say No to Plastic". This committee will work under the authorities of the college. Through this committee the students and people will be made aware against the use of plastic.

Activity

“Say No to Plastic” committee had its first meeting on July 16,2019. Principal Prof. Surmukh Singh and the members of the committee were present at the meeting. Principal Sir addressed the students against plastic use. The students also made posters and banners.

Activity

“Say No to Plastic” committee organised a function with the students. In this function everyone took pledge not to use plastic excessively. Through this event, the committee members also advised the students to reuse the plastic and they also suggested not to the plastic that we can't re-use. Some students came with the new ideas to share with us.

The meeting was ended with the vote of thanks by Dr. Surjeet Kaur.

Summary Report

On July 16,2019, first meeting of “Say No To Plastic” was addressed by Principal Prof. Surmukh Singh and attended by the members of the committee. Principle Sir stood against the plastic use and students supported him by making posters and banners.

This committee also organised the function where students took pledge against plastic usage. Members advised the students to reuse the plastic and to minimise the usage of non-recyclable plastic.
